**\*Notes:**

- If creating a promo/EPK video, additional costs will apply
- For studio/video shoots that run over 8 hours: add \$20/hr for each camera operator for each hour past the 8 hour mark
- If a vocal/instrumental part is created in small passes and not as continuous single take(s), please allow time to perform/film a single take after comping
- Prices do not include audio recording, please supply own audio/recording for studio shoots. Single cam and live shows can be recorded with Zoom directly into board.
